

# TECHNICAL SALES REPRESENTATIVES

## LONDON AND SOUTHERN COUNTIES

Reference: MMSE2018

Location: **London and Southern Counties**

Job Type: Full Time

Salary: Competitive package / attractive bonus offering / company car / laptop / mobile phone

**MOY, leading full system providers of rooftop waterproofing solutions seeks to fill TWO Technical Sales positions**

More Information:

Moy Materials is one of the UK and Ireland's leading suppliers of high performance, innovative waterproofing and insulation systems. Providing systems and solutions to deal with almost every waterproofing condition, Moy is a complete rooftop waterproofing system provider. Our highly skilled nationwide technical team offer support at all stages of a project from specification through to sign off and handover.

This is an excellent opportunity for two ambitious, motivated and experienced roofing professionals to join our growing technical sales team in the UK.

\*A competitive, negotiable salary / attractive bonus offering / company car / laptop / mobile phone\*

### **The Role:**

- Sales and promotion of the full range of Moy Materials products and systems to construction industry professionals including to Architects, Building Surveyors, Roofing Contractors, Main Contractors, End-users and other property professionals across the private, public and third party sectors.
- Working closely with the UK Sales Manager (South), Site Technical team and fellow Technical Sales staff to develop Moy's presence in the South East region.
- The sourcing of sales leads across both refurbishment and new build markets.
- Roof surveys, inspections and condition reporting.
- Production of specifications and dissemination of detail drawings as part of a technical offering to key decision makers across the refurbishment and new build markets.
- Development of a trained and approved Roofing Contractor network.
- Delivery of CPD presentations to key specifier groups.

Interested applicants should send their CV and covering letter to [careers@moymaterials.com](mailto:careers@moymaterials.com)
